

Waqar's Unique Friday Morning Trip

Our participant stopped by to run an errand at what appeared to be a clinic.

This is the Masjid, or place of worship where Waqar attends prayer services on Fridays.

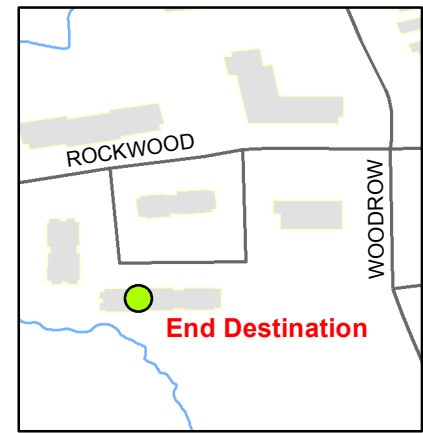

We went into a small grocery store with Waqar, as he browsed various food items.

Waqar would guide us around downtown St. Catharines during our initial car ride (in green)

We initially travelled through St. Paul Street before heading over to the Carleton Street Bus Terminal

During our car ride, Waqar would show us Montebello Park.
